## Art Exhibition ***the new BLACK— Volunteerism***

an art exhibition about people and community... about  
the amazing giving capacity of the human spirit.

Artist and creator D Nina Cruz presents her solo exhibition project of works never exhibited, and created especially for this event. If Volunteerism could speak what would it say?

Cruz explores the insights it would give us through art and narrative. Over a dozen local volunteers are represented in wood stain on maple panels. Designed to encourage and motivate, this purposefully curated show will display 2'x3' works in monochromatic hues with uplifting Bios along side.
