Annual Artist Studio Tour

D Nina Cruz | Fine Art Woodworker

Art-filled Weekend: May 4, 5 and 6, 2018

Fine Art Woodworker, D Nina Cruz, invites visitors to discover and learn about her work and process during The Hunterdon Art Tour (THAT). Nina's work of over 30 years has culminated into an original method and technique with wood stain. Various species of woods are the canvas. This signature approach uses stain as a fine art medium transporting natural grain into the composition of sepia-like translucent layers on live-edge slabs and furnishings

She will be setting up shop for the self-guided two day tour at 11 Kingwood Ave., in Frenchtown NJ for the public to see and discover her latest work. Save the first weekend in May to discover why Nina's is a pioneer in this unsuspectingly beautiful medium.

Don't miss the Preview Party (Gala) opening Friday night, May 5th at the Hunterdon Art Museum, 7-9pm. This pre-tour reception allows visitors to see works from each artist before the studio tour begins. Nina will be present during the reception along with other artist to answer questions about their work and kick off the Tour.

The actual Tour is Saturday and Sunday, May 5th and 6th, 10am-6pm. For more information and to download the free tour map go to NEWS page at: www.dnina.cruz.com. 📄
