**Come and be inspired!**

If Volunteerism could speak what would it say? Artist **D Nina Cruz** explores the insights it would give us, through art and narrative. Local volunteers are represented in wood stain on maple panels. Designed to motivate and lift, this purposefully curated show displays 2'x3' works in different hues with Bios along side. Experience it and see those mobilizing the fashion that never goes out of style, ***the new BLACK— Volunteerism.***
